High temperature Wheel-Checks can withstand temperatures up to 450°F. Mainly used in the transit and some waste disposal industries. High temperature Wheel-Checks will not detect any brake or bearing problems.

WHEEL-CHECK® is an indicator and must always be visually checked when a driver is leaving or getting into his truck. Please call 888-829-1556 with any questions or concerns.

© Wheel-Check® is a registered trademark and division of Wheel-Safety®. The Home of the Original Wheel-Checks. The use of Wheel-Check® in no way guarantees wheel-offs will not occur.
